

## Wednesday, January 10th - 2024; 10:00 am CET

### **Prof. Tim Bugg**

Professor of Biological Chemistry. The University of Warwick

**Title:** *Microbial conversion of lignin to monomers for bio-based plastics using synthetic biology*

### **Dr. Jose Jimenez**

Reader at Imperial College London. Department of Life Sciences

**Title:** *Microbial integration of plastics in the circular economy*

Imperial College  
London

**REGISTER**

## Thursday, January 25th - 2024; 10:00 am CET

### **Prof. Frank Delvigne**

Professor in Microbial Biotechnology. Université de Liège

**Title:** *To be announced*

### **Dr. Alan Goddard**

Reader at Aston University. School of Life and Health Sciences

**Title:** *Biotechnology at the cell MemBRane*

Aston University  
BIRMINGHAM UK

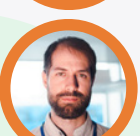

## Thursday, February 8th - 2024; 10:00 am CET

### **Dr. Katarina Cankar**

Senior Scientist Plant Biochemical Diversity. Wageningen University

**Title:** *To be announced*

### **Dr. Rodrigo Ledesma-Amaro**

Reader in Synthetic Biology, Department of Bioengineering. Imperial College London

**Title:** *Synthetic biology and engineered microbial communities for sustainable bioproduction*

Imperial College  
London

## Thursday, February 22nd - 2024; 10:00 am CET

### **Prof. Aitziber Lopez Cortajarena**

Research Professor at the Basque Foundation for Science & Scientific Director at CIC biomaGUNE.

**Title:** *Engineered proteins as scaffolds to assemble efficient multi-enzyme systems*

### **Prof. Alison Smith**

Professor of Plant Biochemistry in the Department of Plant Sciences. University of Cambridge

**Title:** *Developing algal production platforms for high value chemicals*

CICbiomaGUNE

## Wednesday, March 6th - 2024; 10:00 am CET

### **Dr. Cristina Gonzalez**

Senior Researcher & Head of the Biotechnological Processes Unit. IMDEA Energy Institute

**Title:** *To be announced*

### **Dr. Heike Sträuber**

Senior Scientist at the Research Group of Microbiology of Anaerobic Systems. Helmholtz Centre for Environmental Research

**Title:** *To be announced*

## Thursday, March 21st - 2024; 10:00 am CET

### **Prof. Bettina Siebers**

Professor of Molecular Enzyme Technology and Biochemistry & Environmental Microbiology. University of Duisburg-Essen

**Title:** *To be announced*

### **Prof. Trygve Brautaset**

Professor at the Department of Biotechnology and Food Science. Norwegian University of Science and Technology (NTNU)

**Title:** *To be announced*
